The Secretary, JRCPA

Dear Johns River Community,

Our Vice-President, **Mr. Tony Galati**, did a letterbox drop today to village residents calling for a resolution to remove the entire JRCPA committee.

According to Section 19 of our rules (available online), each committee member can make their own "representation" to reply. Adjacent please find these from the 3 Ordinary Members of our committee, as well as our Treasurer and Public Officer.

The President, declined to respond to Mr. Galati's proposed resolution his removal prior to the AGM in March.

I wish to make clear that there was **no special general meeting ever scheduled** on the 5th of January 2008, and there has been no agenda set for any such meeting (agenda items may be sent to me in writing by any financial member). As required by our rules, our members must receive notice of any special general meetings at least 14 days in advance.

As a committee, we agreed to meet on the first Saturday of each month, and we plan to discuss the **Village Wish List**, and organising an **upcoming public community forum** (or working group) so everyone in the village has a say in forming our objectives for the **Council Post-Bypass committee** meeting on February 8th.

The association rules and meeting minutes are a matter of public record, and are available on our JRCPA website at **www.johnsriver.com.au**.

Also online you can find some great photos of the construction work, our Village Wish List, **upcoming meeting dates**, and the latest news and **urban design options** submitted so far!

Sincerely,

[ORIGINAL SIGNED]

Kerri Williams, Secretary JRCPA
